Dear Alumni and Friends,

Please join us Thursday, April 7, for the 10th Annual Conference Golf Classic occurring on opening day of the Auburn University College of Veterinary Medicine's 104th Annual Conference. This year's event is held at the Auburn University Club, a special course for all who love Auburn and the official home of the Auburn golf teams.

The mission of this tournament is to promote the continued fellowship of the Auburn veterinary family, industry representatives, and friends of the College of Veterinary Medicine. Proceeds from this event will be used to benefit the college's latest project -- a classroom building expansion that is currently under construction in the heart of the vet med campus.

Deadline for registration is April 1. Teams will be accepted on a first-come basis, with a waiting list started as the event fills.

We look forward to seeing you at the Auburn University Club on April 7.
