## WHAT WE DO

The Equine Sports Medicine and Surgery Service provides expertise and state-of-the-art surgical treatment for a wide variety of soft tissue and orthopedic diseases, including regenerative medicine techniques, advanced techniques in fracture repair, laser surgery, and minimally invasive surgery such as arthroscopy, laparoscopy, and thoracoscopy. The service provides out-patient services in lameness diagnosis and treatment, prepurchase examinations, and performance evaluation.

## WHO WE ARE

The Equine Sports Medicine and Surgery Service is composed of three faculty surgeons that work exclusively in the service. Additionally, the service has three graduate resident veterinarians who are training to become specialists in equine surgery. The service has one dedicated veterinary technician who assists the veterinarians and senior level veterinary students with management of the service.

## APPOINTMENTS

The Equine Services of the J.T. Vaughan Large Animal Teaching Hospital see patients Monday through Friday by appointment. Call 334-844-4490 to speak to a helpful front desk staff member or learn about a specialized service. The front office staff member can recommend the appropriate service to evaluate your horse. The J.T. Vaughan Large Animal Teaching Hospital sees patients with a referral from your local veterinarian, but a referral is not required.

We are open for emergency admission of equine patients 24/7, including holidays. If your horse is experiencing an emergency medical condition, please call 334-844-4490 to arrange an emergency admission.
