

FedEx Shipping Labels

The Diagnostic Virology Lab is now offering a substantial discount on FedEx Priority Overnight® shipping service through pre-printed labels (which are referred to as “Billable Stamps”). The Billable Stamps shipping labels are pre-addresses to the Virology lab and will be provided to you at no cost. Please contact us by e-mail, fax, or telephone and we will send them to you. The minimum number is 10 stamps. The FedEx shipping charges will be added to your invoice.

To use this shipping label system:

1. Fill in your business name, phone number, and date of shipment.
2. Peel off the right side of the stamp and fasten it to the shipping box.
3. Retain the left side for your records in case you want to track the shipment.
