RESEARCH PROGRAMS  
at AUBURN UNIVERSITY

DIABETES

METABOLIC  
DISEASES

**13th Annual Boshell Research Day • Friday, March 20, 2020**  
**MARRIOTT RESORT AUBURN-OPELIKA GRAND NATIONAL**

The Boshell Diabetes and Metabolic Diseases Research Program at Auburn University is dedicated to improving the lives of all people with

diabetes through world-class basic science investigation into the etiology and treatment of diabetes and other metabolic diseases.

The 13th annual Research Day, on Friday, March 20, 2020, brings together experts from around the United States to present current topics related to diabetes and the role of obesity in its development. The meeting will be highlighted by research presentations throughout the day and evening.

Don't miss this opportunity to attend and participate in this exciting event. Poster and oral presentation submissions are being accepted.

Registration is free for Boshell program members, and \$125 for nonmembers. Students and postdoctoral fellows may attend at no cost.

## Abstracts

Deadline for abstract submissions is February 21. For guidelines see [vetmed.auburn.edu/boshell/research](http://vetmed.auburn.edu/boshell/research).

## Register Now

Email Dr. Robert Judd ([juddrob@auburn.edu](mailto:juddrob@auburn.edu)); register online at [vetmed.auburn.edu/boshell/research](http://vetmed.auburn.edu/boshell/research); or by phone at 334.844.5416.
