

# Fifteenth Annual Boshell Research Day

The Boshell Diabetes and Metabolic Diseases Research Program at Auburn University is dedicated to improving the lives of all people with diabetes through world-class basic science investigation into the etiology and treatment of diabetes and other metabolic diseases.

Friday, March 15, 2024

Auburn-Opelika Marriott Resort  
at Grand National

## REGISTER TODAY

Register Online at  
[aub.ie/boshellresearch](http://aub.ie/boshellresearch)  
or by phone at 334-844-6740

More information about the  
meeting can be found at  
[aub.ie/BoshellResearchDay](http://aub.ie/BoshellResearchDay)  
or by contacting Dr. Robert Judd  
at [juddrob@auburn.edu](mailto:juddrob@auburn.edu)

**The 15th Annual Boshell Research Day**, set for March 15, 2024, will bring together experts from around the United States to present current topics related to diabetes and the role of obesity in its development. The meeting will be highlighted by research presentations throughout the day and evening.

There is no cost for Boshell program members and \$125 for non-members. Students and postdoctoral fellows may attend at no cost. Deadline for meeting registration is March 4, 2024. Deadline for abstraction submission is February 12, 2024. Don't miss this opportunity to attend and participate in this exciting event.

### Abstract Submission

- The deadline for abstract submission is February 12, 2024.
- Abstracts should be a maximum of 500 words (Arial 12 point font).
- Please include presenter preference (oral presentation, poster or no preference), who will be presenting (underline name) and whether the presenter is a graduate student, postdoctoral fellow or faculty member.
- Send abstract submissions via email to [juddrob@auburn.edu](mailto:juddrob@auburn.edu) (Dr. Robert Judd) as a MS Word file.

**AUBURN UNIVERSITY**  
College of Veterinary Medicine
