

# Sixteenth Annual Boshell Research Day

The Boshell Diabetes and Metabolic Diseases Research Program at Auburn University is dedicated to improving the lives of all people with diabetes through world-class basic science investigation into the etiology and treatment of diabetes and other metabolic diseases.

Friday, April 4, 2025

Auburn Marriott Opelika Resort & Spa at Grand National

## REGISTER TODAY

More information about the meeting, including the online registration link, can be found at [aub.ie/BoshellResearchDay](http://aub.ie/BoshellResearchDay).

Contact Dr. Robert Judd at [juddrob@auburn.edu](mailto:juddrob@auburn.edu) or 334-844-6740 with additional questions.

**The 16th Annual Boshell Research Day**, set for April 4, 2025, will bring together experts from around the United States to present current topics related to diabetes and the role of obesity in its development. The meeting will be highlighted by research presentations through the day and evening.

Don't miss this opportunity to attend and participate in this exciting event. Poster and oral presentation submissions are being accepted

There is no cost for Boshell program members and \$125 for non-members. Students and postdoctoral fellows may attend at no cost.

**Abstraction Submission Deadline: March 21, 2025**

**Meeting Registration Deadline: March 28, 2025**

### Abstract Submission

- The deadline for abstract submission is March 21, 2025.
- Abstracts should be a maximum of 500 words (Arial 12 point font).
- Please include presenter preference (oral presentation, poster or no preference), who will be presenting (underline name) and whether the presenter is a graduate student, postdoctoral fellow or faculty member.
- Send abstract submissions via email to [juddrob@auburn.edu](mailto:juddrob@auburn.edu) (Dr. Robert Judd) as a MS Word file.

**AUBURN UNIVERSITY**  
College of Veterinary Medicine
